A Summary of Q1 2026 Market Intelligence | Dubai 2030 & 2040 Strategic Vision | Corridors with Maximum Leverage

DUBAI TAX FRAMEWORK: THE ZERO ADVANTAGE

Dubai's tax framework is the most competitive globally. Understanding the zero-tax structure is critical for evaluating true net returns.

Tax Category	Dubai (UAE)	USA	UK	Europe (Avg)
Income Tax	0%	Up to 37%	Up to 45%	Up to 55%
Capital Gains	0%	Up to 20%	Up to 28%	Up to 45%
Property Tax (Annual)	0%	0.5-2%	Council Tax	0.3-1.5%
Inheritance Tax	0%	Up to 40%	40%	Up to 40%
Wealth Tax	0%	0% (state)	0%	0.5-1.5% (proposed)

STRATEGIC RECOMMENDATIONS

- 1. Dubai South Allocation (40%):** Maximum appreciation potential. Pre-launch inventory at AED 680-750/sqft. 3-5x by 2030.
- 2. JVC Allocation (30%):** Balanced yield + growth. 7-8% rental yields. Gold Line call option. Family-friendly community.
- 3. MBRC Allocation (20%):** Green premium corridor. Institutional capital flowing. 25-35% by 2027.
- 4. Meydan Allocation (10%):** Premium income. 6-7% yields. Dual catalysts (Gold Line + World Cup).

TOTAL PORTFOLIO TARGET: 30-60% appreciation by 2030 | 6-8% net rental yields | 0% tax on all returns
