10 KEY TAKEAWAYS / ■■■ ■■■■ ■■■■■

1. Zero Tax: No income, capital gains, or property tax in Dubai.
Dubai is the only emirate in the UAE with no income tax, capital gains tax, or property tax. This is a significant advantage for investors and businesses.
2. Golden Visa: ANY purchase qualifies for 10-year family residency.
The Golden Visa program allows investors to obtain a 10-year renewable residency visa for themselves and their family members. This is a major benefit for long-term investors.
3. Rental Yield: 6-9% gross in Dubai vs 2-4% in regional markets.
Dubai offers significantly higher rental yields compared to other major cities in the region, making it an attractive location for real estate investment.
4. Currency Stability: AED pegged to USD — no inflation risk.
The UAE Dirham (AED) is pegged to the US Dollar (USD) at a rate of 1 AED = 0.367 USD. This provides a high level of currency stability and reduces inflation risk.
5. Freehold Title: Official deed registered with Dubai Land Department.
Investors can acquire freehold ownership of property in Dubai, which is officially registered with the Dubai Land Department (DLD). This provides legal security and clarity for investors.
6. Dubai South: AED 680-800/sqft with 3-5x growth potential.
Dubai South, a new area of the city, offers competitive property prices and is expected to experience significant growth in the future, providing a high potential for capital appreciation.
7. Gold Line 2032: Infrastructure impact not yet priced in.
The completion of the Gold Line 2032 infrastructure project is expected to have a major positive impact on the Dubai real estate market, but this impact is not yet fully reflected in current prices.
8. D33 Agenda: AED 32T GDP target by 2033.
The Dubai 2033 Agenda (D33) sets a target for the city's GDP to reach AED 32 trillion by 2033, indicating a strong commitment to economic growth and development.
9. Iranian Community: 500,000+ strong support network.
Dubai has a large and established Iranian community, providing a strong support network for Iranian investors and residents, which is a valuable asset for those considering relocation or investment.
10. Direct Flight: Daily Tehran-Dubai flights (2 hours).
There are direct flights between Tehran and Dubai, taking approximately 2 hours, which facilitates easy travel and connectivity for investors and residents.
